

Iverson Elementary Absence Form

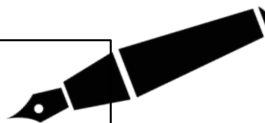

Students who have been absent must provide notice from the parent/guardian to the school explaining the reason for the absence within three school days after their return.

If an acceptable explanation of an absence is not provided, the absence is unexcused and is deemed truancy in accordance with NRS 392.130.

An excused absence still counts as an absence. An excused absence simply signifies there was an excusable reason given for the absence.

According to CCSD policy, only 20 absences per school year are permitted.
